

Effective from June 01, 2023

This website <https://usermost.com/>, also referred to in this Cookies Statement as "we" or "us". We are committed to protecting and respecting your privacy.

This Cookie Policy should be read together with our [Privacy Policy](#) and [Terms and Conditions](#) and explains what cookies are and how and why they may be stored on and access from your device when you access our website.

What are cookies?

Cookies are text files containing a small amount of data, usually a unique string of letters and numbers. They commonly used throughout the internet and are stored on and accessed from your device when you visit a website (including our website). This allows the website to recognize your visit from those of other users of the website.

How does our website use cookies?

Our website uses the following cookies for the following purposes:

Strictly Necessary Cookies

1. hs, a session cookie for security purposes.
2. XSRF-TOKEN, a session cookie for security purposes.
3. _cfduid, a session cookie which expires after 30 days and helps detect malicious visitors to our website and minimizes blocking legitimate users.

Non-essential Cookies

Non-essential cookies are used to collect data from you for the purposes shown below when you visit our website, but we can only do so if you have granted us permission to do so using our cookie preferences, these include:

Functionality Cookies

1. svSession a persistent cookie (2 years) which identifies unique visitors and tracks a visitor's sessions on our website.
2. TSxxxxxxx_d (where x is replaced with a random series of numbers and letters), a session cookie for security purposes.
3. TSxxxxxxx (where x is replaced with a random series of numbers and letters), a session cookie for security purposes.

Performance Cookies

We would like to set Google Analytics cookies to help us to improve our website by collecting and reporting information on how you use it. The cookies collect information in a way that does not directly identify anyone. These cookies are used to collect information about how visitors use our site. The cookies collect information in an anonymous form, including the number of visitors to the site, where visitors have come to the site from and the pages they visited. We use the information to compile statistic reports of our users' browsing patterns so that we can improve the Site

Third Party Cookies

Third-party cookies are set by a domain other than the one the user is visiting. This typically occurs when the website incorporates elements from other sites, such as images, social media plugins or advertising. When the browser or other software fetches these elements from the other sites, they can set cookies as well. Usermost does not control the use of these third-party cookies and cannot access them due to the way that cookies work, as cookies can only be accessed by the party who originally set them. Please check the third-party websites for more information about these cookies.

Combining the cookie information with other data about your computer

When you enter our website, we may also collect information, where available, about your computer for system administration purposes, such as your IP address, operating system and browser type. This information may be combined with the data we collected via the Google Analytics cookies above. This information is statistical data about our users' browsing patterns and generally does not identify our users.

Our use of cookies

We use necessary cookies to make our site work. We would also like to set optional analytics cookies to help us improve it. We will not set optional cookies unless you enable them. Using this tool will set a cookie on your device to remember your preferences.

Your consent to the use of cookies

By using our website, you agree that we can store and access the above cookies on your device.

Refusing or withdrawing your consent to the use of cookies

You may refuse to accept cookies by altering the settings on your internet browser and You can enable and disable browser settings by looking for a the "help" function in the browser or contact the browser provider.

Please note that if you adjust your internet browser settings to refuse the setting of cookies, you may be unable to access or use fully certain parts or functionality of our website.
